Expository Text Features Scavenger Hunt

There are many articles found in the Scholastic News. Read through the articles and find the following items. If any of the items are not found in the article, then say "None" on the lines.

1. What is the title of one of the diagrams or charts?
2. Find an image that has a caption. What was the caption?
3. Write a keyword and what it means.
4. Find a section with bullet points. List one of the bullet points.
5. Name one item and the page it is found on from the index.
6. Describe an illustration?
7. Write one item that is found in the table of contents.
8. Write one word and its definition found in the glossary.
9. What is the sidebar about?
10. What is the title of the main article?
11. What is the subtitle found in the main article?
12. Describe a map found in the article.
